INDEX OF SUBJECTS

Action research 174, 232

Analytical processes..... 152-153, 155

Authority..... 178-179

Autopoiesis 34, 56, 63, 70, 85, 119-120

Avec..... 145, 150-151, 160

Bible Society model..... 168

Book, this
- evolution..... 15
- further work 261-262
- objective 15
- potential users..... 16
- status..... 15-16

CATWOE 36, 42

Causation: complex and linear..... 75

Change, see organizations..... 77, 106-108, ... 127-128, 133
- evocative and provocative approaches 204
- managing it..... 133
- resistance to..... 199-200
- underlying principles..... 206
- without chaos..... 118

Church work
- attributes of workers..... 147, 149
- nature of..... 146, 148

Church Work Consultancy model..... 143-163
- theology 158, 162
- understanding consultor's work..... 146-149, ... 162
- working to nature of work..... 147-149

Circularity 46-47, 67, 68

Client, see consultor

Cognitive ability 257-258

Collaboration..... 109-110, 123

Collaborative Enquiry: post-modern approach model 131-132

Community development..... 143

Complexity and organizations..... 213-214

Complexity approach..... 213-214
- changing conversations ..... 214, 216, ... 224-226, 233
- emergence..... 216-217
- emergence at edge of chaos.... 217-219, 232
- logical sense-making..... 216
- metaphorical sense-making..... 216
- narrative sense-making 216
- self-organizing 215
- theorizing 215-216

Complexity and chaos model 213-228
- and gestalt approach..... 221
- and living systems approach 222-223
- and organizational development 219
- praxis..... 223-224, 231
- principles..... 226-227
- and process consultation 220
- and reflective praxis..... 220
- and soft systems methodology 221
- and whole systems approach..... 221-222

Complexity theory..... 229-230
- and systems theory..... 230

Conflict..... 107-108, 122-123, 180

Constructed realities 77

Constructionist Consulting model 72-84

Constructivism..... 75-79

Consultancy:
- basic equipment 161
- co-consultancy 160
- conferences 161
- courses 21, 160
- definitions ... 15, 19-20, 60,74, 90, 104-105, ... 131, 132, 133, 168, 214
- diagnosis 112-113
- epistemology..... 42, 82, 243-244
- ethics 106
- as hermeneutics..... 256-257
- modes..... 21, 33, 59, 89, 143, 173, 213
- modes and models..... 20-21
- professionalism 104, 106, 137
- projects..... 160
- self-consultancy 161, 185
- and training 161

Consultancy, Mission and Ministry Course... 15

Consultancy Models
- Bible Society..... 168
- Church work 143-163
- co-consultancy 160, 164-167
- collaborative enquiry 131-132
- complexity and chaos..... 213-228
- constructionist consulting 72-84

core consultancy model 25
development consultation 59-71
diffusion of knowledge 132
edge of chaos 229-232
elements of 23-27
experiential understanding 27
fieldwork model 24
Gestalt 188-208
in action 25
knowledge bases 23
Macdonald Associates Consultancy ... 133-134
management consulting 103-117
management consultancy and process consultation 70, 89-100
psychodynamic 70
reciprocal or co-consultancy model ... 164-167
Seven S (7S) 86
sociological and psychological perspectives 175
soft systems methodology 33-43
systems consultation 44-55
systems thinking for managers 118-130
Tavistock 173-187
transferability of 39, 46-49, 83, 261-262
vicarious understanding 27
work centred 15, 145-146
Consultancy modes 21
complexity and chaos 213-232
developmental 55-84
experiential understanding 27
non-directive 143-168
organizational management principles 89-134
psychoanalytical and psychodynamic 173-208
systemic 33-55
vicarious understanding 27
work-centred 143-167
Consultancy working .... relationships 109-111,152, 157
Consultant
expert/non-expert 132
external (outsider) ..... 36-37, 53, 69,82, ... 99, 115-116, 160-161, 185, 200, ... 205, 225-236
"fool" position 118, 250
generalist 115-116
internal ... 36-37, 69, 115-116, 160-161, 205
intervenors 201-203
multiple clients 205
reflective discussion 67
specialist 115-116
teams 115
and therapist 200-201
unconscious as a resource 181-183
understanding consultors work ..... 40, 54, ... 70, 83, 99, 116, 126-127,147, 148, ... 162, 186, 206, 226, 261
working at boundaries 204
Consultants and Consultors
cognitive ability 257-258
interpersonal relationships 152, 157
working relationships ... 109-111, 157, 165
Consultee, see consultor
Consulting at Edge of Chaos model 229-232
Consulting firms 115, 138-139
Consulting profession 115
Consultors
active participation 104-105, 152
attributes required 105, 152
client-centred 104-105
self-consultant 161, 185
ten commandments 105
Consultors and consultants, see consultants and consultors
Conversations and conversing 216, 224-225
Culture 108-109
Cybernetics 70, 72, 81
Decision making 92
Design 152-155
Development Consultation model 59-71
Discussion 77
Edge of chaos 217-219, 229, 230, 231
Edge of chaos model 229-232
Emergence at edge of chaos 217-219
Emotional intelligence 242
Energy 150, 197
Enneagrams 242
Epistemology 42, 82, 83
approaches and positions 249-250
and consultancy 243-258
definitions 239
and hermeneutics 256, 257
Evocative and provocative approaches 204
Facilitating structures 170
Family therapy see Milan Group and systemic family therapy ... 44-49, 50, ... 73-74
Feedback 64, 75-76, 92, 125
"Fool" position 118, 250
FORSEE ® 81
Gestalt approach
applications 191
awareness 195-199
clinical vs contactful 193-194
and complexity approach 221
consultancy and counselling 200-201
cycle of experience 194-200
definition 188
energy 197
explicit vs mysterious 192
figure formation 189
figure-ground relationships 189, 191
law of equilibrium 190
law of Pragnanz 190
multidirectional energy 199-200
narcissistic vs collective identity ... 192, 194
organized wholes 189
presence 191-192
regret and righteousness 197
rightness 192-194
therapy 188
Gestalt Approach model 188-208
Hard systems thinking 33-34
Hermeneutics 256-257
Holons 34
Hypotheses and hypothesizing – see systemic hypotheses 45-46, 66, 67, 69, 124-125
Interactive processes 119
Intervention ..... 65, 96-98, 101, 120-122, ... 125, 199, 201-203, 230-232
behavioural skills 202-203
linear 120-122
modes of 39, 96-98
paradoxical 120-122
patterns of 81-82
Interviewing 67
Knowledge 240-248
amalgamated and differentiated 245
conscious and unconscious 248
deductive and inductive 247-248
gaps 245
omnipresent 243-244
representations 251-255
subjective and objective 245
Knowledge and knowing 240-243
cognitive ability 257-258
communicational 243
creation of 132
experiential and existential 241, 244
forms of 240-243
historical 242
interpersonal and empathic 242
metaphysical, philosophical and moral .. 242
practical 242
propositional 242
religious 242, 244, 246
self-knowing 241-242, 244
tacit 24, 241
Knowledge representations
as fragmentary theory 252
interaction in consultancy 253-255
as medium for communication 252-253
as medium for computation 252
as ontological commitments 251
as surrogates 251
Laissez-faire 102
Language 77
Law of Pragnanz 190
Leadership 178
Linear interactive processes 119
Linear intervention 120-122
Macdonald Associates Consultancy model 133-134
Management Consultancies: knowledge diffusion model 132
Management Consulting model 103-117
definition 105-106
Managers and management 127-128
Mapping dilemmas 125
Meaning 76
Meta-context 76
Meta-view/level 51-52

Milan approach (see systemic family therapy)
Milan Group 44-49, 72-74, 120
(see also systemic family therapy)
Modelling consultancy models 23-28
Modes and models of consultancy 20-21
Myers Briggs 242
Non-directive approach ..... 101-102, 110-111, ... 143-145, 150-151, 188
and freedom 150
nature of 101-102, 110-111
Non-directive models 143-168
Observer position 64, 174
Open systems 178
Organizational development (OD) 219
Organizations 70
and change 63-64, 106-108, 127-128, 133
as containers 180
and learning 82
life cycles 70
in the mind 179-180
as open systems 177-178
people in 62, 64
and systems 62, 74
as systems 119-120, 220-221
unconscious in 175-177, 179
Paradox 80-81
Paradoxical interventions 120-121
Planning 113
Post-modern 131-132
Power 178
Problems and problem solving ..... 56, 60-61, ... 95, 123-124, 127-128
detail and dynamic complexity 123
hard and soft 56, 123
malfunction and complaint 123
Process consultation 70, 94, 220
definition 89-90
human processes 90, 91-93, 95-96, 99
soft and hard 138
Process Consultation model 89-100
Project 70-75 144
Psychoanalytic and psychodynamic ... 128-129, ... 173, 174, 175-177, 181-183
Psychoanalytic and psychodynamic models 173-208
Punctuation 75
Questions and questioning 67, 68, 124
Reciprocal or co -consultancy model ... 164-167
Recursive interactive processes 119, 128-129
Recursive systems thinking 127-129
Referral procedures 66
Reflective discussions 67
Reflective praxis 220
Reframing 69, 77-79, 125
Related support models
appraising 28
coaching 28
facilitating 28
mentoring 28
Repetitive behaviour 125
Resistance to change 199-200
Rice Institute 89
Rich pictures 37-38, 42
Schismogenesis 125
Self as instrument 204
Self–consultancy 161, 185
Sequential discussion 67-68
Social and psychological perspectives 175
Soft systems methodology 221
Soft Systems Methodology model ... 33-43, 221
Soft systems thinking 33-34, 41-42
Systemic family therapy ..... 44-49, 50, 60, ... 73-74, 83, 118-119, 120, 124-,125, 152
application to organizations 48-50
circularity 46-47
hypothesizing 45-46
neutrality 47
Systemic hypotheses 45-46
Systemic interactive processes 119
Systemic punctuations 75
Systems 109 118-120
definition 34
human systems principles 206
of organizations 109
Systems Consultation model 44-55

Systems engineering 33
Systems models 33
Systems thinking ..... 33-34, 70, 72-73, ... 74-75, 118-120, 127, 152
Systems Thinking for Managers' model 118-130
Tavistock Institute 72, 74, 173-174
Tavistock model 173-187
Teams 77
Thinking 77, 112-114, 157-158
breakthrough 114
incubation 113
six hats 114
Transferability of methodology ..... 39, 48-49, ... 83, 261-262
Unconscious processes 128-129
consultant's unconscious 181-183
in groups 177
in organizational life 128-129, 175-176
in professional people 177
Understanding consultor's work 261
Virtual insidership 159-160
Work-centred consultancy 15
Work flow and well-being 150, 170
Work of Church
attributes of workers 147-148
nature of 146-149
Working to nature of work 147-149
Work-views 158-160
